

BAT-SIGNAL COOKIES

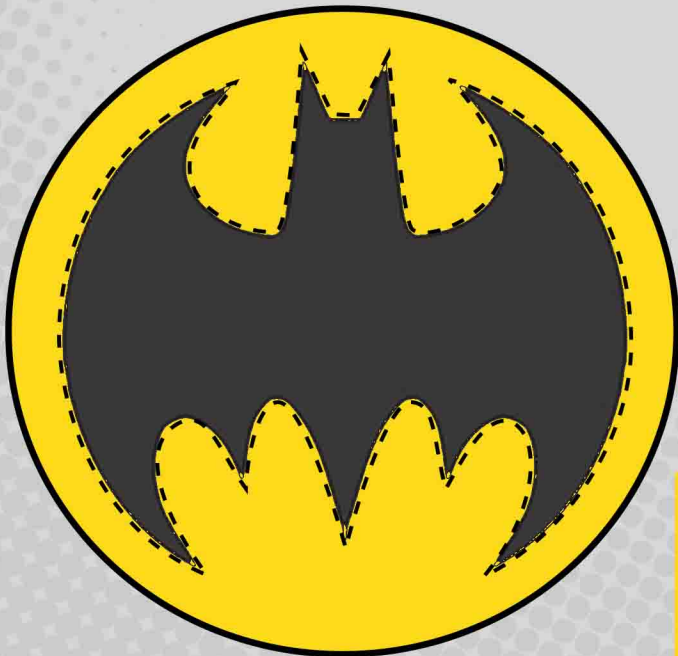

MATERIALS

-  Your favorite sugar or shortbread cookies
Tip: they should be at least 3.5" in diameter
-  Fast drying royal icing
-  Yellow food coloring
-  Printed Bat-Signal template (below)
-  Food decorating pen
-  Gel frosting in black

WHAT TO DO

Watch the DC Kids Holiday Special to see Bat-Signal cookie decorating in action.

- 1 Place royal icing in a bowl and stir in yellow food coloring (a few drops at a time) until desired yellow color is reached.
- 2 Paint cookies with yellow icing and let dry.
Tip: make sure the icing completely dries!
- 3 Print and cut out Bat-Signal template and place on top of dried cookie.
- 4 Using food decorating pen, outline Bat-Signal template on top of cookie.
- 5 Use black gel frosting to fill in the Bat-Signal outline.
- 6 Repeat for more cookies and enjoy!
